

APPOINTMENT OF NEW UK SALES MANAGER

XCEL Power Systems Ltd are pleased to announce that they have appointed John Sams as their new UK Sales Manager.

John will be responsible for the sales of their electronic power conversion products predominantly within the Aerospace, Defence, Offshore and other markets where clients have requirements for power solutions to function in extreme environments.

John has extensive experience within the electronic power conversion business within military and industrial markets where he has previously held senior sales positions with Saft AEG, Socomec Sicon, C&D Technologies and Claude Lyons.

Xcel Power Systems has over fifty years of experience with specialising in the design and manufacture of power supply solutions and has supplied products for a vast array of demanding applications globally where high reliability is a pre-requisite, offering the optimum cost solution without compromising on performance for their clients.
