

APPOINTMENT OF NEW UK SALES MANAGER

XCEL Power Systems Ltd is pleased to announce the appointment of Rachel Cairns as their new UK Sales Manager with effect from 7 December 2009.

Rachel joins the company from Young Electronics Group where she held the position of Area Sales Manager and sold electronic components, cable assemblies and power conversion products. Before moving into a sales role she worked as a Design Engineer for Sony UK and as an R&D Engineer for Dyson Ltd. Rachel has an honours degree in Electronic Engineering.
