**XCEL POWER will be exhibiting at the
DVD 2010 exhibition**

Xcel Power Systems will be exhibiting their latest technology for power supplies and power systems at the DVD Military vehicle exhibition again.

This event will be held on the 23rd and 24th June 2010 at the Milbrook Proving Ground, Milbrook, Bedfordshire and has previously been a highly attended and successful exhibition.

Please visit us on stand C5-12 where our Engineering team will be pleased to discuss your power supply requirements, offer assistance and solutions for future requirements.

NB: Photo ID is mandatory for entry to this event.
