

DATE RELEASED:                      DATE: 1st Sept 2009

# **XCEL Power Systems Ltd (XPS) will be exhibiting Power Supply Solutions at the DSEi ExCel London UK 8<sup>th</sup> to 11<sup>th</sup> Sept 2009 on Stand 872a**

XCEL Power Systems Limited (XPS) would like to extend its warmest welcome and invitations to all Patrons, Guests and Corporate Clients to the Exhibition and Presence on Stand 872a. We've been in Power since 1956; for over 52 years at the forefront in Design & Manufacture of Low & High Voltage Switch Mode Power Supplies. Our Managing Director, Richard Weller and the Sales & Engineering Teams will be on hand over the four exclusive dates to answer queries; discuss specific as well as general requirements and overall time schedules, covering all aspects from design to delivery.
