

Partners in Power

**XCEL POWER will be exhibiting at the
Eurosatory 2010 exhibition**

Xcel Power Systems will be exhibiting their latest technology for power supplies and power systems at the Eurosatory International Defence exhibition again.

This event will be held from the 14th to the 18th June 2010 at the VIPARIS NORD Villepinte Exhibition Centre (Paris) and has previously been a highly attended and successful exhibition.

Please visit us on stand J340 where our Engineering team will be pleased to discuss your power supply requirements, offer assistance and solutions for future requirements.

NB: Photo ID is mandatory for entry to this event.
